† Black print speeds are measured in accordance with ISO/IEC 24734. Actual print times will vary based on factors including system configuration, software, and page complexity. For more information, visit www.epson.com/printspeed | **††** Black and color copy speeds are determined in accordance with ISO/IEC 29183. Actual copy times will vary based on factors including system configuration and page complexity. For more information, visit www.epson.com/copyspeed | **1** Not all media types are supported for PCL printing. | **2** Based on average monthly document print volumes of about 300 pages. | **3** Part of the ink from the included bottle is used for initial setup; yields are lower than those of replacement ink bottles. Included and replacement ink bottle yields based on the ISO/IEC 19752 pattern with Epson's methodology. Actual ink yields will vary considerably for reasons including images printed, print settings, temperature and humidity. Ink is used for printing and printer maintenance,and the ink must be available for printing. For more information, visit www.epson.com/inkinfo | **4** Savings comparison and cost per ISO page based on the purchase cost of a replacement ink bottle and the cost of enough mono toner cartridges to achieve the total page yields of the ink bottle using the manufacturers' online prices and yields for the highest-capacity toner cartridges for the best-selling similarly featured mono laser printers priced at $499 (USD) or less with speeds of 30 ppm or less per industry-available data as of October 2020. Actual savings will vary based on print tasks, print volumes and usage conditions. | **5** As of October 1, 2019, this product comes with a 24-month standard limited warranty or 50,000 plain paper sheets (whichever happens first). Please visit www.epson.com/support for more details. | **6** Most features require an Internet connection to the printer, as well as an Internet- and/or email-enabled device. For a list of Epson Connect enabled printers and compatible devices and apps, visit www.epson.com/connect | **7** Wi-Fi CERTIFIED™; level of performance subject to the range of the router being used. Wi-Fi Direct may require printer software. | **8** Epson Connect account and voice-activated account registration required.
